

TOLEDO WRESTLING FOUNDATION

2022-2023 Sponsorship Form

The University of Toledo Wrestling team is partially funded by the UT Sports Club Department and we compete within the National Collegiate Wrestling Association (NCWA), which includes over 175 4-year, 2-year, and non-traditional wrestling programs. The funding from the school is not nearly enough to support the Varsity-level competition schedule that the Rockets undertake each season. As such, we are asking the community at-large and local NW Ohio and SE Michigan businesses to partner with the team in achieving success both on the mat and in the classroom. Our 2022-23 sponsorship package is available for both individuals in the form of TWF Membership (starting at \$100) and companies (starting at \$500). Scholarships and other financial assistance are provided to the University Wrestling team through the Toledo Wrestling Foundation (501c3) and as such the TWF is able to take charitable donations at this time.
